

I'm writing to update you on the essential maintenance work we're carrying out on the A11 between Babraham and Six Mile Bottom. Our work includes resurfacing and sign renewals. This will ensure that the A11 remains safe and serviceable for years to come.

Work began on Monday 6 March 2023 and is expected to be complete by **February 2024**.

On **Saturday 16 December** we will be working on the **A11 southbound** between **the A14 merge point** and **Balsham Road**, with the road closed from **8pm** to **6am**. Drivers will be diverted to follow the A14 westbound and M11 southbound to continue on their journeys (**Strategic Diversion**).

The **northbound exit slip of the A11 at Six Mile Bottom** will also be closed, with drivers needing to exit here being diverted to continue on the A11 past Newmarket, exit and return southbound (**Diagram 1**).

A map of the diversions can be found below.
