Re: Designation of the 'Whittlesford Neighbourhood Area'

The consultation about the designation of the 'Whittlesford Neighbourhood Area' closed on Friday 5 August 2016. If you responded to this consultation, thank you for your comments.

Cllr Robert Turner, the Planning Portfolio holder, agreed on 17 August 2016 the designation of Whittlesford Neighbourhood Area for the purposes of developing a Neighbourhood Plan.

Details of the application and decision, along with information about Neighbourhood Planning, are available on our website here: <https://www.scamb.gov.uk/content/neighbourhood-areas>

Now that the neighbourhood area has been designated, Whittlesford Parish Council has indicated that it intends to prepare a neighbourhood plan for this area and if you wish to be involved in this process please contact them to find out more information about how you can be involved.

Community Highways Volunteering scheme

The County Council's Community Highways Volunteering Scheme allows communities to step in and work on the highways in your area, helping the County Council to maintain Cambridgeshire's highways to a high standard.

The scheme gives volunteers in the community the opportunity to enhance their environment whilst at the same time reducing pressure on county council budgets.

Youth Work in your area - can you help us find local groups?

Locality officers at South Cambs receive a considerable number of requests from parish councils and youth organisations for guidance and assistance when it comes to provision of youth work and activities for young people in the area, especially young people 12+. We are more than happy to provide assistance but recognise that the best people to help are often those who are "already doing it". With this in mind we are organising an event at the beginning of November (details to follow) that will allow those with experience of running youth groups to share their knowledge, expertise and best practice across all areas of young people's work. We hope to invite parish councils and other community members wishing to set up or re-launch a youth group. One key area that will be covered will be funding for groups - where to find it, how to secure it, etc. We hope also to cover governance issues, safeguarding and a range of good practice case studies. As a central focus of the local community, I am asking the parish council's assistance is helping me reach as many organisations as possible, in order to hear success stories and share knowledge widely. Could you possibly send me the names (and if possible contact details) of any youth groups/organisations operating in your parish. This includes, but is by no means limited to, youth club-type provision as well as church-affiliated groups, uniformed groups (scouts, brownies, guides, army/RAF cadets), and any individuals/parish councillors thinking about starting-up a new youth initiative

If you could possibly get back to me by Friday 9 September that would be very much appreciated.
