Village Noticeboard- RA to look at this when weather better.
123	Public participation	Representatives from Sawston PC attended the meeting to see if Babraham PC would be interested in joining with them along with Pampisford, in a Neighbourhood Plan to try to preserve and protect Green belt land from future building of houses. A date and time to be arranged for all 3 councils to meet and discuss this. Although it was thought prudent to wait to see what the Local Plan says, there is a need to work quickly but properly. Meeting details would follow. Cycle path/bus users at the new Institute roundabout- this needs a proper crossing eg Pelican as very dangerous crossing here.
